Attention Business Owners!

GROUP INSURANCE PLANS HAVE EVOLVED

This means you only pay for what you use!

You have more choices!

You can create different plan options for Owners!

**Building a solid and competitive business starts with your employees.
Here are 10 reasons why introducing a Group Benefit plan
will help your business remain strong.**

- 1. You get a competitive edge in the job market**
- 2. You get a cost-effective method of providing employees with coverage for medical/dental bills – protecting employees and their families**
- 3. You get a tax-deductible business expense**
- 4. You build morale and enthusiasm among your employees by demonstrating your concern for their well-being**
- 5. You provide financial protection for your employees and their families**
- 6. You provide a tax-effective form of compensation to your employees**
- 7. You help employees alleviate the added burden of government cost-shifting**
- 8. You address the special needs of some employees with coverage available without any medical questionnaires to complete**
- 9. You will have access to services like counseling referral programs that help employees deal with issues stemming from work or home**
- 10. You will get peace of mind in knowing that both you, your employees and their families are well taken care of**
